18 Petitioner has requested that respondent be ordered to mail a replacement copy of the  
19 answer to petitioner at his new prison address. Petitioner explains that he did not receive the  
20 answer when it was originally mailed to him because he changed prisons at about the time  
21 respondent served the answer. Upon due consideration, petitioner's request is GRANTED.  
22 Docket No. 13. No later than **April 26, 2016**, respondent must mail a replacement copy of the  
23 answer and supporting memorandum of points and authorities to petitioner, and file a proof of  
24 service showing that he has done so.

25 The court *sua sponte* extends the deadline for petitioner's traverse: No later than **June 3,**  
26 **2016**, petitioner must file and serve his traverse.

27 **IT IS SO ORDERED.**
